Re: National Leadership PAC October monthly amendment

Dear Ms. Wilkins,

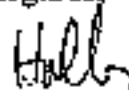

This letter is to help clarify our amendment to the October monthly report filed on December 5, 2000.

The -\$5,000 entry for Schiff for Congress was an un-cashed check that was mistakenly reported on our October monthly.

We originally reported a \$5,000 contribution to Mike Honda for Congress for the general election on September 14, 2000. This was an error. As the enclosed letter and copy of the check will show, \$3,000 was intended for their primary debt and \$2,000 was for the general election.

Finally, like our amendments to our July, August, September reports, a duplicate \$330 disbursement was included in our year to date operating expenditure. This has been corrected and is reflected on line 21.

Regards,
